MONTHLY MEETING CELEBRATION

The Society hosted record numbers.

Her Excellency is greeted by President Ross Garnett.

Post meeting discussions were simply inspiring.

Her Excellency's welcome involved moments of re-acquaintance.

Well, the Monthly Meeting was all that was expected ! A huge crowd assembled at the Merthyr Hall last Saturday to an afternoon of great entertainment. The day featured a spectacular address by Faye Schutt on matters surrounding General Douglas MacArthur's role and presence in wartime Brisbane. The Society's current literary piece was then launched in great fanfare by Her Excellency, Ms. Penelope Wensley AO. "Tides of Teneriffe" by Vicki Bridgstock, will be very accommodating at this time of the year. A number of the many highlights of the day are presented here, including some very touching birthday celebrations. Our Christmas Edition Newsletter, featuring all of the best of last Saturday, will be sent in the early weeks of December, preparing us all for 2010.

Her Excellency greets the Author and her family.

Spectacular MacArthur memories.

The Editor, the Publisher and the Author.

A special celebration for Gloria Grant.

Her Excellency made a wonderful contribution to the day.

.... as did other local identities.

Special thanks for the support of so many local agencies.
